## for VICE PRESIDENT

Email: JuDeNAWIC@aol.com

**W**e must remain relentless in our endeavors to continue the vision of our NAWIC founders and to further strengthen the core values they set forth. Through various construction industry evolutions and changes, NAWIC remains the front runner in providing women the opportunity to learn, teach, serve and give back to their communities. Our industry is facing challenging economic times, making NAWIC even more vital for those

of us in this exciting field. As a proven leader of this Association, my goal is to help make NAWIC membership a “must have” for any woman employed in the construction industry. I see what the future CAN and MUST hold for NAWIC, and I am excited about helping lead us in that direction. NAWIC Builds...the Success of Women in Construction! Your vote for Judy DeWeese for Vice President helps cement that vision.
