Diversity, Equity and Inclusion Committee - Call for Members

We have a mission that we'd like you to be a part of and it's urgent to get your participation as soon as possible!

Our Diversity, Equity and Inclusion Committee is an essential & vital part of NAWIC. Some would say that the formation of this committee is way overdue and we couldn't agree more. We have a lot of work ahead of us and want to be respectful of your time commitment to driving the change we'd like to see in our organization, in our workplaces, but most importantly in ourselves!

In an effort to make concerted progress within the next few months of our first year as a standing committee, we will start meeting & working under our designated pillars.

Under this targeted approach, each pillar (subcommittee) will be meeting twice a month; replacing our DE&I committee meetings. The pillars will report their progress on actionable items assigned for each pillar to the DE&I Committee monthly.

DE&I will meet every other month to review, with all members, our combined goals, targets, and future opportunities.

PILLAR LEADS

Rowena Dziubla - Communication

Jennifer Morales - Education

Kristey Stewart - Recruitment/Retainment

Will you join us?

Apply at
https://docs.google.com/forms/d/e/1FAIpQLSeZ7zZfBHIlm3_D5kDmGdELP1ZifYiTMcwDLS_nxwrhJx578Og/viewform.

Submissions are due on or before Monday, 05/03/2021. After that date, the form will be closed and no other responses will be taken.
Alison Frye named new North Central Region Director

NAWIC Members,

On April 12th, the NAWIC National Board received the resignation of North Central Region Director Mashell Carissimi. This was a very difficult decision for her and we thank her for her strength and her service to this association.

On April 13th, we sent a communication to the North Central Region asking for members to step forward to fill the vacancy of Region Director.

We had two very qualified women put their names in for consideration. In a closed session on April 21st, the National Board met, asked questions of each candidate and voted for which candidate would fill the North Central Region Director vacancy.

Today, we are proud to announce that Alison Frye, P.E., member of the Cleveland, OH Chapter #156 has officially accepted the position of North Central Region Director for the remainder of the term until Annual Conference 2022. Please join us in congratulating Alison on her new role as North Central Region Director.

Anne Pfleger, CIT
NAWIC National President 2020-2021

Charlotte, NC promises to be a colorful backdrop for this year's Annual Conference

The 2021 Annual Conference is one you don't want to miss. It's time to reconnect with members, collaborate with your peers and construct a better future for women in construction. But the conference isn't the only thing you don't want to miss out on; our host city offers a variety of activities, eats and drinks- something for everyone. Check it out!
NAWIC member feedback requested on construction workflow and collaboration
Trimble is conducting a survey to understand the workflow and collaboration patterns in the construction industry. The goal of this survey is to understand industry needs so please do not share any confidential or proprietary information. The information collected through this survey may be used to inform product design and development.

Privilege Walk: A Virtual Exploration and Discussion of Gender, Disability, Race, and Socio-Economic Privileges
Understanding and acknowledging privilege is key to learning why and how we react to and perceive our surroundings. Privilege refers to a special right, advantage, or immunity granted that is only available to a particular person or group. The Privilege Walk is an exercise wherein we explore privilege (i.e. gender, disability, race, economic status) and the different ways it may present itself in our world today. Attendees will participate in the "Walk" and then break out into small group discussions led by moderators from the Forum's D+I Committee.

Cosponsored by the ABA Forum on Construction Law’s Diversity + Inclusion Committee, Division 13 (Government Construction), and the National Association of Women in Construction

Free Webinar (Non-CLE program)
Thursday, April 29, 2021, 3:00 pm EST
Register now: americanbar.zoom.us/meeting/register/tJcqf-qupjksGNS9lq84EgQmq-T1foLgOmfd

The goal of this program is to raise awareness of the different types of privileges that exist and how such privileges or lack thereof may impact the way each person walks the world (including performing professional obligations). We will
break out into small group discussions, led by moderators, during the program.

Sponsored by Division 1- Litigation & Dispute Resolution  
Co-sponsored by the National Association of Women in Construction

NAWIC Benefits Spotlight

The Coaching Corner with Michael Riegel

The March jobs report was met with great fanfare after a challenging economic (and personal) year. The top line number was an increase of over 900,000 jobs in a single month, and nearly 50% higher than predicted by economists. For me, I waited to hear the news about construction payrolls. As the news announcers got to construction, the 110,000 new jobs made me consider the implications of the recently-announced $2T infrastructure
plan. The recent increase in new construction hires will help recover from 2020 but the prospect of huge spending over the next 10 years will present some serious challenges.

So, what can we do now to ensure that the rebuilding of America can proceed successfully?
