Education

Work Zone Safety Webinar April 10, 2018, noon EST

National Work Zone Awareness Week is April 9-13. In this webinar, you will learn about the safety measures you can take and rules you can follow to keep everyone safe in work zones. Everyone drives through work zones and some of us even work in them, so it pays to pay attention to work zone safety. Complimentary for NAWIC members. For more information on the seminar, [click here](#).

Brought to you by the Safety and Health Awareness and U.S. Transportation Committees

NAWIC Diversity Survey Input Sought

In planning our education for the August NAWIC Annual Conference, we are developing a panel on Diversity in the Construction Industry. Your feedback on what your company is doing will help inform the conversation of the panel. We have asked 9 questions that will take about 1 minute to complete. To take the survey, [click here](#).

Annual Conference Registration is Now Open

[Early bird registration](#) for the NAWIC Annual Conference opened March 1.

This year, the Conference has been revamped and we have some exciting new events planned. New features:

- Pre-conference certificate training and exam (Estimating and Scheduling Practitioner) offered by NEF
- A pre-conference chapter leadership training program for Chapter Presidents
- Two keynote speakers
- Two general sessions with industry panels (Diversity and Workforce Development, and Industry Trends and Updates)
- The Neighborhood (NAWIC's reimagined exhibit hall) with 15-minute pop-up education, food, demonstrations and vendor tabletops.

Register at www.nawic.org > Annual Conference.

Don't forget to book your hotel room. [Click here](#) to book at the special NAWIC Conference rate.

Association News

NAWIC Awards Criteria Revised

The NAWIC Awards committee has revised the judging criteria for NAWIC's three national Awards: Lifetime Achievement, Member of the Year, and Future Leader of the Year.

NAWIC Store Survey

Did you know that the national office has supplies and items for sale? It features items that you can use yourself, for your chapter or for speaker gifts. We want to invest in some fresh new items and need feedback on what you would like to see in the NAWIC store. Take this one-minute survey to share your ideas.

New York Magazine Needs Your Help

New York Magazine is working on a story that will include women in the trades who have experienced sexual harassment and/or assault on the job, but who have not reported the misconduct because they feel their workplace conditions prevent them from coming forward.
