## Education / Training

---

### **CURT Presents: Building Mental Wellness: A Blueprint to Thrive Workbook**

Construction Users Roundtable, CURT, strives to produce meaningful advancements within the construction industry by promoting overall cost effectiveness; improving the way construction is planned, managed, justified and executed. Additionally, CURT works toward changing and improving what owners allow, require and accept responsibility for on their domestic and global construction projects.

CURT is pleased to share with NAWIC the following link of the recent webinar, "Building Mental Wellness: A Blueprint to Thrive Workbook" presented by Teresa Magnus and Kathryn Ely.

To learn more about CURT, The Owners Voice To The Construction Industry, and a promotor of tri-partite conversation among Owners, Contractors and Unions, visit [CURT.org](http://CURT.org).

## NAWIC Benefits Spotlight

---

### NAWIC Career Center

The NAWIC Career Center offers construction companies, recruiters and hiring managers a unique resource that allows them to communicate their job openings to women in various fields of the construction industry. Finding the right woman for the job has never been easier!

NAWIC members can look to the job board to find employment opportunities. At the Career Center, members can post their resumés and find listings of the newest career opportunities related to the construction industry.
