Meet the National Officer Candidates at Virtual Town Hall
Princeton, NJ Chapter Charters in Hybrid Event
The Princeton, NJ #398 Chapter is holding a hybrid chartering event May 12.

“Our Chapter is proud to be uniting such a diverse and energetic group of women across New Jersey through this initiative to trade experiences and networks, advocate for a healthy and successful professional life, and celebrate the remarkable work of women in the construction industry,” NAWIC Princeton, NJ
President Suchita Shah said. “We are thankful to our allies in the industry and in the NAWIC organization for supporting and amplifying these voices.”

To learn more about this new chapter, visit [www.princetonnawic.org](http://www.princetonnawic.org) or contact the Chapter Board at info@princetonnawic.org.

ConsensusDocs and Document Crunch announce Strategic Technology Collaboration

Washington D.C. – Today, ConsensusDocs and Document Crunch are announcing a strategic collaboration that will benefit users of both platforms.

“Document Crunch’s mission is to solve the construction industry’s major shortfalls when it comes to understanding risks in construction contracts and other project documents” said Josh Levy, Document Crunch’s CEO & Co-Founder. “The collaboration with ConsensusDocs is a major milestone as it allows our
users access to ConsensusDocs’ standard clauses, which are widely considered to be fair and reasonable contract terms. This should serve to guide contractors of any size and scope to adopt a better understanding of what good looks like, and to level up when it comes to understanding contracts.”

NAWIC Benefits Spotlight

Delegation Can Be Hard and It’s an Important Skill

Delegation is not a skill that comes naturally to most. It’s not most people’s superpower. For me personally, my superpower has been being able to work out practical solutions, often in my head, and then getting it down on paper. Delegation, on the other hand, is a skill that requires me to practice to become proficient.

Industry Update

Road builders to benefit the most from an infrastructure deal, economist says
Road builders will be the biggest winners of any infrastructure spending bill passed this year by Congress, with contractors who work in the environmental public works space sharing in the spoils, too, according to a leading construction economist.
