*This year, we have added optional structured networking time for attendees at the beginning and end of each day and during each lunch break.*

#### **Committee Open House Networking**

How are the national committees going to Connect-Collaborate-Construct during the upcoming NAWIC year? Find out during Committee Open House Networking, where you'll hear plans from the Membership & Marketing, Emerging Professionals, NAWIC-OSHA Alliance, Safety & Health, Professional Development & Education, and Women in Construction Week committee chairs. Then, use this information to strengthen and amplify you and your chapter as you construct a successful NAWIC year!

#### **Industry Networking**

Our Industry Council Networking this year provides an opportunity for you to meet and interact with fellow NAWIC members and colleagues in the construction industry during lunch breaks and at designated times through each day of the Virtual Conference. You definitely won't want to miss out on these!
